

Countryside High School Golden Cougar Band of Pride

June 2016

Dear Business Owner,

The band marches on... And, with your support, it can! The Countryside High School Golden Cougar Band of Pride and the Countryside High School Golden Cougar Band Boosters would like you to join us for another year of marching band, color guard, jazz band, concert band, and indoor percussion performances. Our talented, hard-working kids are busy prepping for upcoming shows, competitions, and events.

Marching Band and Color Guard Upcoming Half time shows at home football games.

Competitions:

- Marching Band and Color Guard
- Marching Band MPA
- Florida Marching Band Championship
- Indoor Percussion @ Premier

Concerts:

- Veterans Day @ Lake St. George Elementary School
- Spring and Holiday Concerts @ Countryside High School
- Concert Band @ Safety Harbor Arts and Crafts Show
- Safety Harbor Holiday Parade

Performances like these cannot happen without the support of the local community, and friends of CHS. With a limited Pinellas County school system budget, only a few dollars are available per student for music education. The students work hard fundraising--Candy sales, March-a-thons, and Car Washes, to name a few. However, it is the generosity of sponsors that help the Band buy instruments, uniforms, and other competition needs.

We are actively seeking Financial Sponsors to help celebrate the success of these dedicated and gifted students and teachers from Countryside High School. Please consider filling out the attached form to sponsor the band. Contributions can be cash, checks or Gift-In-Kind. As a 501(c) (3) organization, all donations are tax deductible. We are also happy to include your business information on concession booth signs and our website @ cougarmusic.weebly.com--there may not be a less expensive way to reach your customers.

The Countryside High School Band program is providing our community with future, skilled employees and community leaders. We urge you to invest in their future and that of our community and the businesses that thrive here. Thank you in advance for your kind generosity and encouragement! We appreciate your support!

Sincerely,

The Countryside HS Golden Cougar Band Boosters
